

Ok, maybe not the best title in the world, but hey it got your attention right?

Let me explain.

This coming Saturday, May 8th to be exact, starting at 8:30am, the Men of New Covenant Church are getn' together at the Church for some breakfast, fellowship and to lend a helping hand on some church projects. Shouldn't be too hard of work. Just the typical ol' barn raisin', trench diggin', pig wrestlin', put a big ol' smile on your face type of work.

Ok, ok, maybe not that extreme of work but more to the tune of little projects here and there that with the help of a group of guys like yourself, excuse me if you are a lady reading this, can get accomplished in no time flat.

So, get your work clothes ready, invite your pals, plan a car-pool and give [Craig Vineyard](#) a call and let him know you are coming on down. Or if you are not sure until the morning of, just come on down anyways and surprise us all. Either way it will be a great way to get the blood flowing and the weekend started.

See you there!
